HBAN PRESS RELEASE

Thank you for joining us last week at our first Demo Day! We heard well-rehearsed presentations from an assortment of 7 companies from a variety of industries. The Q&A sessions after each were spirited and high caliber, and paved the way for continued dialogue throughout the networking portion of the evening.

We are pleased to have hosted 40 attendees from 4+ countries, including members from our partner BANs in Croatia and Slovenia - a big thanks to Branko , Davorin, Ivan, and Hrvoje for making the effort to join us!

Your presence, and that of our other members and invited guests, contributed to the lively conversations and positive energy in the room, so thank you again for those of you who were there. We'd like to ask for 2 minutes of your time to give us some feedback via this [short form](#).

We aim to organize our next Demo Day at the end of September. We will be in touch later in the summer as we finalize the date, but feel free to reach out any time if you have any company suggestions or any other feedback for us!
